Religious Studies

- Symbols associated with celebrations
- Signs and artefacts within a church and synagogue
- Identity, diversity and belonging
- Understanding worship as an expression of common beliefs in Christianity and Judaism

Philosophy lessons will take place approximately every 3 weeks.

Spring Term Theme is Biodiversity and Money.

Drama lessons take place weekly. This term's focus is on improvisation, devising and rehearsal.

These topics are merely what we would like to cover. Please note that as an independent school, we enjoy the flexibility to explore any other interesting area of learning that may arise during the term, and therefore the list should be taken as a guide only.
